Senators

THE GIANTS OF WOODVILLE

This season will see 3 Adelaide Giants don the Green and Gold for the Senators. **Carly Moore**, a local hero and the definition of hard work, will continue her game in Mens Div1, 2, 3 squad and Div 1 Womens, whilst leading the Senator Womens competition to certain victory. **Josh Tols**, who returns to the Adelaide Giants after making the switch from the Melbourne Aces, will continue to be a familiar face at his home ground in Woodville. Our new addition to the Senators family, pitcher **Todd Van Steensel**, comes to the club with a career the envy of many having played in competitions for the ABL, US, Netherlands, and France. We couldn't be more excited to have these legends represent our club.

This is shaping up to be an exciting season - be sure to catch all the action at Don Klaebe Reserve!

CLUB NEWS September 2022

CHAIRMAN'S REPORT

W

elcome to the upcoming 2022/23 season which promises to be an exciting one for our club. Numbers in both senior and junior grades are looking fantastic with nominations about to or just going into Baseball SA.

For Seniors we have Womens Div 1 & 2 now. For Mens senior competition we have Div 1,2,3,6,7 & 8. Our recruitment off season has been good so far with many new players joining the senior ranks and with only a small number either not playing or leaving our club. The big recruitment has been in lower grades following on from a successful winterball season, which saw us field 3 teams, a lot of these being junior's parents. They have enjoyed playing baseball so much for our club, they are continuing on in Summer. Richard Olson is in his 4th year as our Senior Div 1 coach and will be assisted by Troy Weinert this year. Div 2 will be coached again by Ryan Muggleton and Daniel Chapman, Div 3 will be coached again by Shane Brown. Div 6 will be coached again by Tim Fawcett, Div 7 has new coaches both life members of the club Grant Behrendt and Garry Marsland and we are just finalising Div 8 coaching.

Women's Div 1 will be coached by Todd Dunstall and we are finalising Women's Div 2 coaching.

For Junior grades again we are building good numbers and thanks again to Megan Oliver in all the fine work in co-ordination of 'preseason' programmes. These included the specific skills clinics which were very well attended over winter and then the 6 week Junior Senators programme conducted by Lawrie Moore. Thanks to all the other coaches for assisting this programme. At this stage for juniors we look like having T Ball, Pee Wee, Under 10s (new comp), Minor League(U11), Little League (U13 both Div 1 & 2), Intermediate League Div 2 (Under 14) and Junior League Div 2 (Under 15). Most of the coaching appointments have been confirmed for these teams with some really good experienced coaches again stepping up to assist our junior grades.

First round starts on Saturday October 8th, so looking forward to seeing plenty of the old faces back and also encouraging as many new and past members back to the club to support all our grades which i think will be the largest numbers of registrations in the club's history. Thanks again to everyone for stepping up and volunteering either as a board member, coach, scorer, club member and again thanks to all the parents for picking Woodville for your child's start in baseball.

Kind Regards Tim Fawcett
Chairperson, Woodville District Baseball Club

WE NEED YOUR HELP!

With the season fast approaching the Homerun fence needs to be put up. It's a mammoth task - we need as many helpers as possible!

WINTERBALL SEASON 2022 RECAP

After an amazing 2021 Winterball season where we made it all the way to the grand final with our one team, this season we saw 3 teams don the Green and Gold in the Winterball competition.

The division 1 and 2 / division 3 and 4 competitions played in the same division throughout the regular season but were split for finals.

Div 2 - Senators

Coached by Joshua Mignone this team was the only finals appearance for Senators Winterball this season. The team had many highlights and challenges throughout the season facing a higher level of competition than many of the team had previously experienced. One of the greatest highlights of the season was winning our nail-biter of a semi-final against Pt Adelaide but unfortunately, we could not move on the week later to make it to the big dance. But it was truly an awesome season. **Congratulations to Jye Field for the season making the SAWBA All-Star Team and winning the Mark Brougham Batting Award.**

Div 3 - Senators

Led by Justin Randall this team developed a strong bond and developed throughout the season. The team had a range of multiple experience levels that gelled well together from players playing their first games to well seasoned players.

Div 4 - Woodville

Mentored by Nate Oliver with many new players to the sport this team had a great time the whole season and wanted to let everyone know about it. It was great to see the progression these players made and friendships formed. Although this team did not make it into the finals they led the division 4 competition in runs scored.

AROUND THE GROUNDS WITH OUR JUNIOR SENATORS

100

The Junior Senators have been super busy in the off season participating in an array of winter sports as well as keeping their baseball skills up-to-date with specialised programs in catching, pitching and batting run at the tunnels at Don Klæbe Reserve. Whilst the kids had fun, improved their knowledge and skills and learnt from an array of coaches we noticed that most had grown in height and strength and seemed to be more confident.

Thank you to Shane Brown, Carly Moore and Tim Fawcett and many Senior players who coached the kids throughout the winter months - it was much appreciated.

Our 6 week annual Junior Academy was different this year - we split into two nights with Senior Junior Senators working with Lawrie Moore and coaches on a Tuesday night at West Beach and our younger Junior Senators trained at Seaton High School on Wednesday nights which worked brilliantly. With approximately 20 kids in each group we were able to work on specific skills for each age level. There were some new faces amongst both groups and all have decided that they would like to become a Senator this season which is exciting.

Preseason is here!

We've nominated 7 Junior teams with Baseball SA this season and our T-Ball program begins in Term 4. We are looking forward to seeing the kids out on Don Klæbe Reserve throughout summer in their green and gold.

Good Luck to Indie O'Hazy-Zschorn and Alice Brown who are representing our club and the Adelaide Seahorses at the end of September in the inaugural Barclay Cup - an all girls baseball tournament for League 13-16

Meet Our New Junior Major Sponsor!

Thank you and welcome to the team!

SENIOR SENATORS NEWS

Welcome to season 2022/23!!!

Preseason has begun for our Div. 1-3 squad in early August at West Beach with our numbers looking good. This season our ladies' teams numbers have increased so we have nominated a Div. 2 team and Carly Moore will oversee them with Todd & Tom taking charge of Division 1 ladies. We have had a group of pitchers working with Josh Tols and his arm barn program in the off season with good reports coming out of that.

The lower teams have also started preseason and we have welcomed quiet a few parents and players from our winter ball teams wanting to show their kids how to play baseball!!!! Nominations for senior teams have been sent to the league with us having Div. 1,2,3 men's, Div. 1 & 2 women's and Div. 6,7,8. Fingers crossed the draw will be out soon. Games will be starting the weekend of the 7th/8th/9th October. We welcome to Woodville Senators this season Adelaide Giants player Todd Van Steensel and send a big thank you to Rick & Joan for offering their spare bedroom to host him for a few weeks its very much appreciated.

Reminder that BSA fees must be paid in full before you can take the diamond and club fees need to be paid by 30th November . The fee schedule can be found at the back of this newsletter.

Inside the Womens Senators Squad

This season Woodville's womens squad has grown considerably with more than 25 players signed up.

This means Woodville will have a division 1 team coached By Todd, Tom and Wade and a division 2 team for the first time, headed up by Carly and Shane. Pre season kicked off at Seaton high on August 3rd and ran for 6 weeks on Wednesday nights. The tunnels gave us a chance to focus on offence and get plenty of swings in. Both teams are excited to get back to the club for a focus shift to defence. We are all thrilled to have two teams and will train as one squad to make a for a competitive training environment, where anyone has the chance to play division 1.

Another exciting part of having a division 2 team is it allows our younger girls to play in the seniors for the first time, we are excited to see Alice, Dakota and Indie making their senior debut. You will of course see everyone's favourite starter Dama return to the mound, and Sarah has decided to join her this year after her brief hiatus behind the dish. And don't worry you will hear Megs cheering them on from the outfield along side the Berry sisters. Carly has fully recovered from her injury last year and is excited to return to catching. The infield will be safe and secure in the hands of Alyssa, Kym, Carol and new face Amara. We will also have our hard working winterball players Molly, Skye, Michelle and Toni who insist on playing year round. And a warm welcome to Christie and Bridget who will bring experience to our division 2 team. We have Jamie and Mel who will play their first game of baseball in round 1 and are excited to see their progress. We're happy to see the return of Kerryn and Ashleigh after a season off, and hoping Lisa will be able to join us mid way through the season.

Games start on the 9th of October for div 1
and the 28th for div 2.

Let's Go!!!
Come out and support your Woodville ladies!
